1. Introduction

Without the commitment of passionate and enthusiastic volunteers, Fitmums & Friends would not exist. As a charity we strive to offer our volunteers a rewarding and fulfilling experience and we aspire to be a fantastic organisation to volunteer for. This volunteer policy sets out the principles and practice by which we involve volunteers and is relevant to staff, volunteers and trustees within Fitmums & Friends. It aims to create a common understanding and to clarify roles and responsibilities to ensure the highest standards are maintained in relation to the management of volunteers.

2. Our commitments

We recognise volunteers as an essential part of our organisation. Their contribution supports our mission and strategic aims and complements the role of paid staff. We aim to encourage and support volunteer involvement to ensure that volunteering benefits the organisation, its members and the volunteers themselves.

We are committed to offering a flexible range of opportunities and to encouraging a diversity of people to volunteer with us, including those from under-represented groups such as youth, people with a disability, older people and people from black and minority ethnic communities. We recognise that there are costs associated with volunteer involvement and will seek to ensure adequate financial and staffing resources are available for the development and support of volunteering. We recognise that people have a right to participate in the life of their communities through volunteering and can contribute in many ways. We recognise our responsibility to organise volunteering efficiently and sensitively so that the valuable gift of the volunteer's time is best used to the mutual advantage of all concerned.

3. Who is a volunteer?

Volunteers are individuals who undertake activity on behalf of our organisation, unpaid and of their own free choice.

National Council for Voluntary Organisations (NCVO) defines volunteering as;

"...any activity that involves spending time, unpaid, doing something that aims to benefit the environment or someone (individuals or groups) other than, or in addition to, close relatives. Central to this definition is the fact that volunteering must be a choice freely made by each individual.

This can include formal activity undertaken through public, private and voluntary organisations as well as informal community participation and social action. Everyone has the right to volunteer and volunteering can have significant benefits for individuals".

www.ncvo.org.uk

Volunteers may be involved on a one-off, short term or on a longer term, regular basis. They may be involved:

- in the direct delivery of our services
- on our board of management as trustees
- in community engagement to raise awareness of our work
- in one off events and promotional activities
- in our offices or in community venues

Volunteers are valued for:

- bringing additional skills and new perspectives to the organisations

- enabling us to be more responsive and flexible in our approach
- championing our cause within the wider community
- enhancing the quality of our work and of client experience
- promoting the wellbeing of users of services, staff, local communities and themselves.

4. Roles and responsibilities

The development and co-ordination of voluntary activity within the organisation is managed by the central team who have overall responsibility for the welfare of volunteers. All volunteers will have a designated link person for guidance, support and supervision. Staff responsibilities for volunteers will be explicitly referred to in their job/role description. We specifically have “Leads” for the following volunteer teams:

- Coaches – Lead Coach/es
- Leaders (Run, Walk, Cycle, Buggy) – Club Co-ordinator (associated with each local club) supported by Club Liaison Leads
- In the Pink volunteers – In the Pink Co-ordinator
- Mental Health Champions – Mental Health Ambassador/s
- Events Volunteers – Events Lead
- Guide Runners – Guide Runner Lead
- Central team (including admin team, Club Liaison Leads, Pink & Blues)– Chief/Deputy Chief Officer
- Parent helpers at junior sessions – Junior Admin Lead
- Together in Grief – Project co-ordinator

The volunteer role is based on trust and mutual understanding. There is no enforceable obligation, contractual or otherwise, for the volunteer to attend or to undertake particular tasks or for the organisation to provide continuing opportunities for voluntary involvement, provision of training or benefits. However, there is a presumption of mutual support and reliability. Reciprocal expectations are acknowledged – both of what the organisation expects of volunteers and what volunteers expect of Fitmums & Friends.

Fitmums & Friends expects volunteers:

- to be reliable and honest
- to uphold the organisation’s values and comply with organisational policies
- to make the most of opportunities given, e.g. for training
- to contribute positively to the aims of the organisation and avoid bringing the organisation into disrepute
- to carry out tasks within agreed guidelines

Volunteers can expect:

- to have clear information about what is and is not expected of them
- to receive adequate support and training
- to be insured and to volunteer in a safe appropriate environment
- to be treated with respect and in a non-discriminatory manner
- to receive out of pocket expenses
- to have opportunities for personal development

- to be recognised and appreciated
- to be able to say 'no' to anything which they consider to be unrealistic or unreasonable
- to know what to do if something doesn't go according to plan
- to know what to do in an unforeseen emergency situation

5. Recruitment and selection

Equal opportunities principles will be adhered to in recruiting volunteers. Opportunities will be widely promoted in order to attract interest from different sectors of the community. Positive action to target recruitment may be used where appropriate. Online application is encouraged but non-digital methods of application are also available.

Information will be made available to those enquiring about volunteering, including written role descriptions which set out the nature and purpose of the volunteering role, key tasks, skills required and benefits. A risk assessment will be undertaken on all volunteer roles.

Recruitment will usually involve an application form, informal interview, and the taking of references (dependant on role); the process will be defined and consistent for any given role – for example the recruitment process for trustees, regular volunteers and for volunteers for one off events will be tailored in each case and may differ from one another. Where applicants are not able to be placed in their preferred role, they will be provided with feedback and given the opportunity to discuss alternative volunteering roles or signposted to the local volunteer centre.

For roles which involve sustained and direct contact with young people or adults at risk, volunteers will be required to have a full DBS disclosure check which will be arranged by the organisation. DBS disclosures are dealt with in the strictest confidence. A criminal record is not necessarily a bar to volunteering.

6. Volunteer Registers

The organisation records details of all individuals involved in volunteering as follows:

Coaches & Leaders

All Coaching and Leading roles are recorded on a central register which holds details such as UK Athletics licence number and expiry date in order that the organisation can ensure only appropriately trained coaches and leaders are providing services to members.

Events Team Volunteers

Details of all volunteers who provide support at events are also held on a register. This records an email address and brief details of availability and any relevant experience. This Register is reviewed on an annual basis as a minimum and members details updated and/or removed as required.

Central Team & Project Volunteers

All individuals working in the central team are also recorded on a register as well as volunteers from the In the Pink, Mental Health Champions & Guide Runner teams. This records an email address and nature of their role, area of work and days involved in their volunteer role.

All data is kept in line with GDPR requirements. Members may request to be removed from any of the above registers at any time by emailing admin@fitmums.org.uk.

7. Events Management

An Event Lead will be identified for each event. The Event Lead will ensure that a pre-event briefing is done for all volunteers using the attached briefing template Appendix X. Where an Event Lead is not allocated then the pre-event briefing will take place by email to all volunteers by the Fitmums & Friends Events Coordinator/Central Team Rep.

8. Induction

Volunteers will be given induction appropriate to their role using the Induction Checklist. This should take place as soon as possible after commencing/qualifying for their role.

9. Training

All volunteer roles which require a qualification in order to undertake the role will be supported with a subsidised contribution to their course cost. This includes run, walk, cycle leaders & all levels of coaching qualifications and guide runners. This provides volunteers with a recognised qualification. Complimentary kit is available upon qualifying in their chosen role with options to purchase some further kit at a subsidised rate.

Ongoing development opportunities are provided in-house by Fitmums & Friends for volunteers who undergo an initial training course and gain a qualification. Volunteers are strongly encouraged to take up this offer at least bi-annually. This is at no cost to individuals. The quality of coaching and leading is so important to the organisation and therefore opportunities for update & review of best practise is considered a vital part of the support mechanisms for volunteers involved in these roles.

All volunteers involved in the In the Pink & Mental Health Champions team undertake training which is free of charge.

10. Peer assessment

A system of peer assessment is in operation for all Coaches which exists to support individual development as a Coach and ensure quality of delivery in sessions.

11. Support and supervision

Volunteers will be offered support and supervision as appropriate and this is discussed during induction. Arrangements vary according to the volunteer and the role undertaken, and may include telephone support, group meetings or one to one reviews.

12. Communication

We will seek feedback from our volunteers on a regular basis in order to understand how best to improve their volunteering experience and improve the service we offer.

In addition, **if consent is given for email contact** volunteers will receive the Fitmums & Friends Newsletter, and, with their consent, we will promote their achievements and contribution through social media and our overall communication strategy.

13. Recognition

Formal recognition of the contribution of volunteers is expressed through annual reports, website articles, social media, and during Volunteers' Week and organisational celebrations.

14. Events Volunteer Reward Scheme

Each week a considerable amount of volunteering takes place in the delivery of sessions in local communities. It can therefore be difficult to recruit additional volunteer support to help at promotional events which has become another important area of work for the charity. A reward scheme has been created in order to recognise this extra support and to thank volunteers for their time over and above the core work of the charity. The reward scheme applies to all promotional events which may include volunteers having a presence at health/sport events; being a part of the pink & blues team; supporting try-a-mile or taster sessions. Eligible events for the reward scheme will be judged at the discretion of the central team.

All Events Volunteers will be given a Reward Card after their first episode of events volunteering. Every episode of volunteering completed will be recognised by a date and signature from either the Event Lead or a Club Coordinator/member of the central team. Signatures can be collected and as they accumulate they equate to a Fitmums & Friends Thank you Gift of the volunteer's choice (see below).

Reward options may include

Level 1 (for the first 10 volunteering episodes)

- Notebook
- Set of event clips
- Set of trainer tags
- Baseball cap
- Snood

Level 2 (up to 20 volunteering episodes)

- Leisure T-shirt
- Leggings/Shorts
- Fitmums & Friends branded Rucksack/Bag
- Fitmums & Friends Hoodie

15. Dealing with problems

The organisation aims to treat all volunteers fairly, objectively and consistently. It seeks to ensure that volunteers' views are heard, noted and acted upon promptly. We will attempt to deal with any problems informally and at the earliest opportunity. All volunteers will have a named person to whom they can turn in the case of any difficulty. Where informal resolution is not possible, volunteers will be made aware of the organisation's complaints policy and how to use it. They will also be made aware of how inappropriate behaviour by volunteers will be addressed by the organisation.

16. Expenses

Volunteers will be given clear information about what expenses can be claimed and how to make a claim. See Appendix 6.

17. Moving on

On the occasions when volunteers move on from volunteering with us they will be asked to provide feedback on the volunteering experience by way of an exit questionnaire. They will also be given the opportunity to discuss their responses to the questionnaire more fully. Volunteers who have remained with the organisation for at least 3 months will have the right to request a reference. Volunteers will be supported to move on to other options.

18. Organisational Policies to support volunteering role

A number of policies support the management of Volunteers. All policies can be accessed via the Fitmums & Friends website <https://fitmums.org.uk/club-policies>
